Police Intelligence.

In the Case of Mr. Relar, charged with Degraceding Australian Passenger.—The hearing in the above named as set down to come of yesterday afternoon before feature McGrath, has been fur ther pestponed until this discusses (Thursday) at 2 o'clock, when it is believed some arrangement will be made to the astisfaction of the complainants. The adjournment was enused by the besses of Mr. Churchill, who was detained in Philadelia to business, and will be home this day, pMr. Churchill is the owner of the bark Mary Parker, the vessel dispute between the parties.

In the Motter of the California Ticket Praud.—A partiat earing was gone into yesterday, before Justice Rogart, at the Tembe, in the matter pending against Mr. Hornce A haw and George E. Hamilton, respecting the fraud mediced on a number of persons in the purchase of spucus passenger tickets for the steamship Uncle Sam.

o new facts were elicited and the hearing stands advanced until this day at 10 o'clock.

Highway Robbery.—Testerday, officer Wogan and others,

Ne new facts were elicited, and the hearing stands adjourned until this day at 10 o'clock.

Highway Robbery.—Testerday, officer Wogan and others, of the Fourth ward, arrested four men, named Edward Giles, Charles Kerrigan, John Connell, and James Knox, on a charge of violently assaulting James T. Barry, of 125 Fulton street, in the public struct, and robbing his person of a gold watch and chain, pocket book and money, and theu made their ercape. It appears that, on last Monday night, about ten o'clock, Berry was on his way to the Feck slip ferry, passing along South street, when four men came up to him; one of them seized hold of him around the body, while two others seized his arms, and the fourth put his hand on Mr. B.'s mouth, to prevent his giving an alarm, and then robbed his peckets of the property above mentioned. After possessing the property, the rogues made off. Yesterday the above named persons were arrested or suspicion of being the guilty parties, from the fact of their resembling the men described by the complainant. The prisoners were conveyed before Justice Bogart, who committed them to prison to await a further examination.

repred before Justics Bogart, who committed them to perison to await a further examination.

Charge Against a Paceubroker—Buyian Stolen Property.—Yesterday afternoon, officer McPherson, of the Second ward, arrested Charles Cudlipp, pawnbroker, of No. 308 Hudson street, on a warrant issued by Justice McGrath, wherein he stands charged with buying one hundred gold pens, valued at \$50, the property of John Richardson, gold pen menufacturer. No. 4 Liberty place, near Maiden lane. It seems that a boy, named Charles W. Perry, 16 years of age, an apprentice to Mr. Richardson, stole the peas from the workshop, and sold them to Cudlipp for \$8. The boy, on his arrest, admitted stealing the property, and said that when he sold the pens ta Cudlipp, he (Cudlipp) told him to bring all the pens he could, and he would give him one shilling on the dollar for them. This boy, however, bears an indifferent reputation for honesty, having been several times arrested previous to this case, on charges of theft On the other hand, hir Cudlipp shows an entry made in his book on the 25th of February last, of a loan of eight dollars on a box gold pens, to one John Thompson, which he says were the peas in question, brought to him by the boy. The case will be further investigated by the magistrate.
